AMJAD ALI

AI Cinematic Video Creator · CGI Ad Producer · Visual Storyteller

amjadcreator@gmail.com +92 305 839 3180 Pakistan linkedin.com/in/amjad-creator

PROFILE SUMMARY

AI-powered creative professional with 5+ years of hands-on experience producing cinematic, scroll-stopping content for global brands, YouTube channels, and social media platforms. Expert in AI cinematic movie creation, CGI ad production, prompt engineering, and visual storytelling — capable of managing the entire creative pipeline from concept to final delivery without a team. Known for delivering results that earn client bonuses, not just approval.

KEY ACHIEVEMENTS

☐ Bonus Earned From International Client

Delivered a video ad campaign that exceeded client expectations — rare bonus awarded on top of the agreed fee.

☐ AI Cinematic Movie Creator

Among the first creators in Pakistan to produce full AI cinematic videos and CGI ads using Veo3, Runway ML & Midjourney.

☐ Multi-Country International Portfolio

Successfully delivered remote projects for clients across multiple countries simultaneously and independently — zero missed deadlines.

☐ AI-First Content Pioneer

Mastered cutting-edge AI tools for video generation, animation, and visual effects — producing agency-quality output at a fraction of the cost.

PROFESSIONAL EXPERIENCE

AI Cinematic Video Creator & CGI Ad Producer | Amjad Creative Studio — Freelance 2024 – Present

- Creating full AI cinematic movies and video ads for global brands using Veo3, Runway ML, Kling AI and Midjourney — delivering cinema-quality visuals without a studio or heavy budget
- Produced CGI video ad creatives for globally recognized consumer brands including Coca-Cola, Fanta, and fashion industry clients — scroll-stopping visual content built for maximum engagement
- Managing complete creative pipeline independently — concept development, AI prompt engineering, storyboarding, video production, editing, and final delivery
- Writing precision AI prompts that consistently generate professional-grade, cinematic video output — mastering scene composition, lighting, motion, and camera angles through prompt engineering

AI Storyboard & Production Designer | Amjad Creative Studio — Freelance 2023 – Present

- Designing complete production storyboards and visual narratives for AI-generated video content — planning scene-by-scene shot compositions and motion sequences
- Translating brand briefs into full visual production plans including character design, background art, and animation sequences for 2D and 3D AI-generated content
- Collaborated with international clients across multiple countries to deliver brand-specific visual identities through AI-powered storyboard production

CGI Ad Creator & Visual Effects Producer | Amjad Creative Studio — Freelance 2023 – Present

- Producing high-end CGI video advertisements and product visualization content for fashion brands, FMCG companies including Coca-Cola and Fanta, and e-commerce clients worldwide
- Delivering photorealistic product renders, cinematic motion graphics, and scroll-stopping ad creatives using AI tools — at a fraction of traditional agency production costs
- Successfully delivered CGI ad campaigns for clients across multiple continents, earning client bonuses for exceeding performance expectations

Social Media Content Creator & YouTube Manager | Self-Employed — Freelance 2020 – 2023

- Managed YouTube channels and Facebook pages for international clients — handling full content creation, video editing, thumbnail design, and growth strategy independently
- Grew client YouTube channel from zero through consistent AI-powered content, strong 3-second hooks, and retention-focused editing — delivering measurable subscriber and view growth
- Created short-form reels, TikTok content, Instagram posts, and YouTube Shorts optimized for each platform algorithm — across healthcare, entertainment, e-commerce, and lifestyle brands
- Delivered 50+ professional video projects simultaneously across multiple clients — zero missed deadlines, consistent quality on every delivery

Graphic Designer & Brand Visual Creator | Self-Employed — Freelance 2018 – 2020

- Designed brand identities, marketing visuals, social media graphics, thumbnails, and poster designs for local and international clients using Photoshop and Canva
- Created visual content for social media campaigns across Facebook and Instagram — building brand presence and audience engagement for multiple businesses simultaneously
- Produced promotional materials, digital ads, and branded graphics tailored to target audience demographics and platform requirements
